THEME OF THE YEAR:
THE TIME IS ALWAYS RIGHT TO DO WHAT IS RIGHT

Themes of the Month: Kindness & Questioning and Posing Problems

Dear Parents,

February is going to be an exciting month in many ways. We are glad to inform you that the annual snow day this year for Grades One, Two and Three will take place on February 8th. Grades 4-6 will have their annual Snow Camp in early March, weather permitting. Further details will be sent to you.

The Early Childhood coordinator and teachers suggested that this year Nurs-

ery, KGI and KGII will have a special outing to Putt Putt instead of the snow day on Monday, 8th February. A letter will be sent to you concerning this matter.

On another note, the school is preparing for the Science Fair which is an exciting event which encourages students to think like young scientists. During the past few weeks, Elementary students were asked to design scientific projects, do research, and implement a scientific method to reach conclusions. The judging of the projects will take place during the first week of March. The exhibition of Science Fair projects will be open to parents, guests and teachers.

Book Fair in the Library!

During the first week of February, the School library is hosting a Book Fair. Scholastic is providing interesting books in English and Arabic. Come with your parents and choose your favorite books!

We will notify you of the final date. I wish our children the best of luck in their research!

Sincerely yours,

Zakieh Naimy Bassil

Director
