THEME OF THE YEAR:
THE TIME IS ALWAYS RIGHT TO DO WHAT IS RIGHT

Themes of the Month: Humility & Thinking Interdependently

Dear Parents,

This is the last Newsletter of this year. It has been a great pleasure working with your children and watching them grow body and soul! This year has been full of celebrations and achievements. The last one was the success of our students who participated in the AUB Science, Math and Technology Fair. Congratulations to Marwa Traboulsi (10A) and Lara Feghaly (10L) for winning the first prize in Science in the High School category. Congratulations

also to Ray Dona (5) and Christopher Njeim (5) for winning the 3rd prize in Science Research in Elementary! On another note, we all know that in October our school hosted the Advanc-Ed Accreditation Readiness Visit, and that we will host the Visiting Team on May 31st, June 1st and June 2nd. With your support and your cooperation, the school will achieve high results and will reach new dimensions in the field of international education. Please check June calendar on the back side of this Newsletter to keep yourself updated with the school's events and important dates. I wish all our students the best of luck in their final exams, especially Brevet and General Sciences students who will sit for their official exams this

month.

Finally, I wish you all a great summer vacation and look forward to seeing you in September.

Sincerely Yours,

Zakieh Naimy Bassil

Director
