Issue IX

June 2010

Theme of the Year: The Time is Always Right to Do What is Right

Dear Parents,

This is the last Newsletter of this year. It has been a great pleasure working with your children and watching them grow body and soul! This year was full of celebrations and achievements. The last one was the success of our students who participated in the AUB Science, Math and Technology Fair. Congratulations to Marwa Traboulsi (10A) and Lara Feghaly (10L) for winning the first prize in Science in the High School category. Congratulations also to Ray Dona (5) and Christopher Njeim (5) for winning the 3rd prize in Science Research in Elementary!

On another note, we all know that in October our school hosted the Advanc-Ed Accreditation Readiness Visit, and that we will host the Visiting Team on May 31st, June 1st and June 2nd. With your support and your cooperation, the school will achieve high results and will reach new dimensions in the field of international education. Please check the June calendar on the back side of this Newsletter to keep yourself updated with the school's events and important dates.

I wish all our students the best of luck in their final exams, especially Brevet and General Sciences students who will sit for their official exams this month.

Finally, I wish you all a great summer vacation and look forward to seeing you in September.

Sincerely yours,

Zakieh Naimy Bassil

Director

Dear Students and Parents,

Exemption!

The Educational Team of the school decided to exempt students (Grades 7-11) from the final exam if they have a cumulative average of 88% in the Lebanese Program and an average of 92% in the American Program. Good

luck to all of you!

Summer Work!

All students need to finish their summer work and to fill their time with reading during the summer vacation!

Congratulations to:
Abbass Abbass, Mah-
moud Dessouky and
Serena Bahlawan for be-
ing accepted by LAU.

Congratulations to
Serena Bahlawan for be-
ing accepted by AUB.
