THEME OF THE YEAR:  
THE TIME IS ALWAYS RIGHT TO DO WHAT IS RIGHT

### Themes of the Month: Acceptance & Striving for Accuracy

#### Dear Parents,

Is it a coincidence that we are celebrating two special days in March? March is the time when nature welcomes spring with petals of life and beauty. It is also a time to appreciate people who plant in the children's hearts and minds seeds of knowledge and awareness. These are the teachers! March is also a time when we all pay tribute

to mothers. Therefore, you are invited to the Family Day performance on March 18th in the Chapel at 11:00am. We are looking forward to seeing you all there.

March is also the time when we hope, weather permitting, to take our Grades 4-6 students for the annual Snow Camp on March 4th and 5th.

In March, Eastwood College celebrates Poetry by writing, reciting, and hosting in the Chapel the second annual Poetry Evening.

We are looking forward to seeing you all there

on March 12th at 6:00pm. This year, like every year, we are planning to take the Early Childhood and the Elementary students on an Egg Hunt. We will notify you about the time and the place later.

Finally, may I take this opportunity of wishing all mothers a very happy Mother's Day, and to wish all parents and students a Happy Easter!

Sincerely yours,  
Zakieh Naimy Bassil

Director

#### Eastwood College Science Fair!

All parents are invited to visit the Annual Eastwood College Science Fair on Wednesday, March 10th. A special invitation will be sent home soon. I wish all the students the best of luck in their preparation!

#### Easter Vacation!

The school will be closed except for Brevet and General Sciences classes from April 1st until April 11th for the Easter Holiday. Classes resume on Monday, April 12th.

#### Snow Day for Grades 1-3

Due to the hot winter in Lebanon this year, we were unable to schedule the annual snow day for Grades 1-3. I hope that the Egg Hunt Day will compensate for this a little bit.
