THEME OF THE YEAR:
THE TIME IS ALWAYS RIGHT TO DO WHAT IS RIGHT

Themes of the Month: Passion & Responding with Awe

Dear Parents,

The month of May, this year, is a month of celebration at our school. We celebrate the success of our students in Trimester Two especially those who are on the Honor Roll. We also celebrate the success of our students in the Spelling Bee contest, and in their participation in the AUB an-

nual Science Fair!

During this month Grade five students will sit for the IOWA Tests. A letter concerning this matter will be soon sent to Grade five parents.

However, the most important event at our campus is taking place at the end of May and the beginning of June, when the Accreditation Visiting Team is coming to our school on May 31st, June 1st and June 2nd.

The Visiting Team will meet administrators, teachers, students and parents. Thank you for your support! We hope that the visit will be a successful one to move Eastwood College into higher dimensions in the International field of Education!

Sincerely Yours,
Zakieh Naimy Bassil
Director

The Crazy Lab Festival "Going Green"

Ministry of Environment and the Ministry of Tourism. Grades 3, 4 and 5 are participating. This event is targeting 12 schools ONLY from Lebanon. Eastwood College is one of them. We have no doubt that this journey is going to be very exciting, educational and fun for both students and teachers!
