Issue VIII

May 2010

Theme of the Year: The Time is Always Right to Do What is Right

Dear Parents,

The month of May, this year, is a month of celebration at our school. We celebrate the success of our students in Trimester Two especially those who are on the Honor Roll. We also celebrate the success of our students in the LAU Science and Arts Fair. Eleven students out of twenty-one participants won different prizes. Three students won the first prize in their categories. Refer to the column on your right to see the names of our champions. On another note,

may I take this opportunity to congratulate our LAU MUN team for their great effort, specifically Miss Lara Feghaly (Grade 10L) for winning the Diplomacy Award!

During this month, Grade 9A will sit for the IOWA Tests. A letter concerning this matter will be sent to Grade 9A parents soon.

However, the most important event at our campus is taking place at the end of May and the beginning of June, when the Accreditation Visiting Team is coming to our school on May 31st, June 1st and June 2nd.

The Visiting Team will meet administrators, teachers, students and parents. We hope that the visit will be a successful one to move Eastwood College into higher dimensions in the International field of Education! Thank you for your support!

Sincerely yours,

Zakieh Naimy Bassil

Director

Dear Students and Parents,

Congratulations to the following students for gaining prizes in the LAU Science and Arts Fair:
